

Fairfields and Whitehouse Public Art Commissions

Dallas-Pierce-Quintero

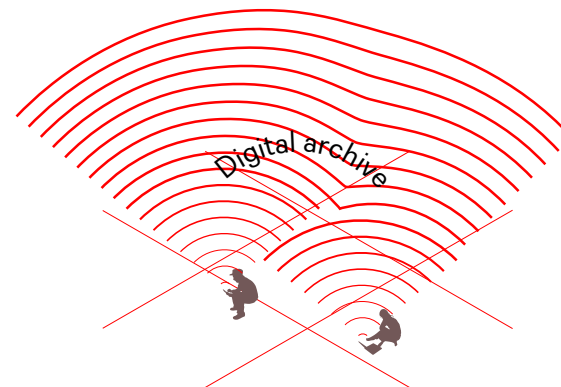

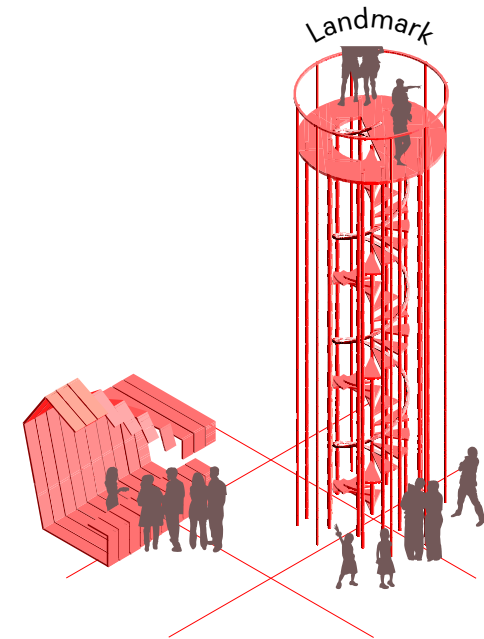

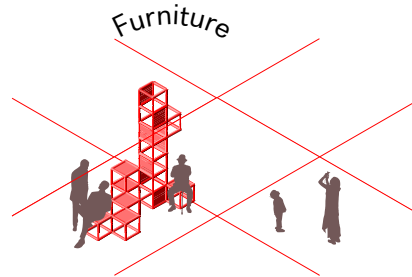

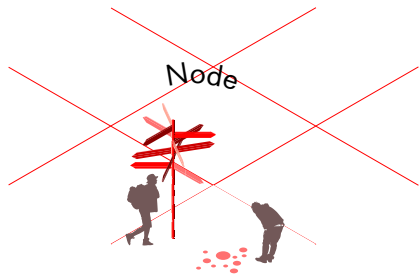

Our role

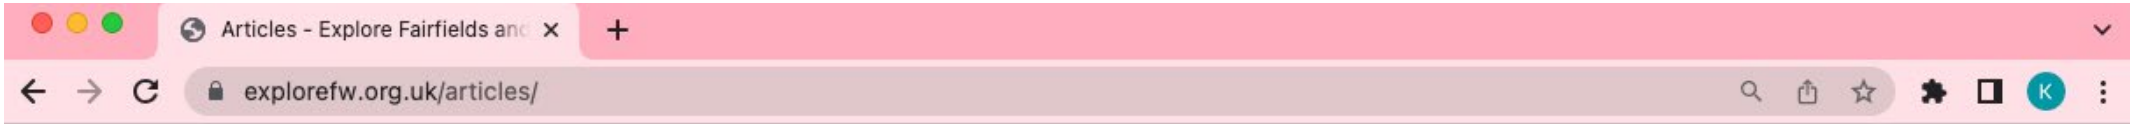

Public Art Plan - 2017

We propose five scales of public art initiative:

- Nodes
- Furniture
- Landmarks
- Mass Participation
- Digital Archive

Explore F&W - Digital Commission and Archive - Unit 1

Furniture Commission 'Brief'

- Foster interactions and community
- Reflective of and accessible to all residents
 - Rooted in heritage and place
- Encourage a relationship with nature
 - Be engaging and ever-changing
 - Promote positive wellbeing
- Create a link between the areas

Furniture Commission Concept

Exploring the ways in which we spend our time in the landscape and the spaces in which we spend it. Thinking of these as a 'stage' set against each location and landscape.
